

Dr. Kishore Harjai is an interventional cardiologist with board certifications in Cardiovascular Disease, Interventional Cardiology and Vascular Medicine (Endovascular). He has been in clinical practice since 1998. After completing internal medicine and cardiology training at the Cleveland Clinic, Cleveland, Ohio, and Ochsner Clinic, New Orleans, LA, he obtained advanced fellowship training in Interventional Cardiology at the William Beaumont Hospital, Royal Oak, MI; and Structural Interventional Cardiology at Columbia University Medical Center, NY. In addition, he has a Masters in Medical Management Degree from Carnegie Mellon University, Pittsburgh, PA.

Before joining Geisinger in 2013, Dr. Harjai served as Medical Director, Cardiac Catheterization Laboratories; and Vice-Chair, Cardiac and Vascular Center of Excellence at the Guthrie Health System, Sayre, PA. His principal interests include developing programs of clinical excellence in interventional and structural cardiology, multidisciplinary team integration, and clinical research. He has published over 200 research manuscripts and abstracts, and has lectured nationally and internationally.

Currently, he is in practice at the Geisinger Wyoming Valley Hospital, and serves as Medical Director, Structural Heart Interventions at Geisinger Clinic Northeast.
